STILL OUR CHAMPS

Ain't stealin' this cake from me!

Sandra & Michelle jammin' to Sledge programming.

Sandy Sledge brings the jams to you.

Before the Storm!

After the Hurricane!

This isn't going to be a rebound!

We work hard at basketball — AND EATING CAKE!!!

AW, forget my diet!

SKY "V" #1 AAA PLAYER

Sky "V" slam dunks a SMALL piece of cake.

TO MY TEAMMATES

We've run the court and courted fame,
Chasing stardom we played the game.
Putting each other to the test;
Always striving to be the best.
But when our efforts fell just short,
Joy gave way to the pains of sport.
Which one of us refused to cry?
Tears were present in ev'ry eye.
Long was the time that they did flow,
More painful hurt we'd never know.
Yet while our heads were hung so low,
Between us love began to grow.
We clasped hands and hugg'd each other;
Ev'ryone became a brother.
Slowly our heads began to rise;
Love replaced vict'ry as our prize.
Now our pains are lesser anguish;
Time and Love all wounds will vanquish.

I am glad to have been here at South Mountain for the past four years. The progress it has made has been a never ending source of pride to me. Best of Luck to the Class of 84 and thank-you Rebels for giving me the best years of my life.

George V. Ramirez

The past four years will always be cherished by me. We've all worked together striving for a better educational institution, and we've made tremendous progress. Serving as your president has proven to me that South Mountain is an excellent school; I hope that all Rebels will continue to make it an even better school. May God bless, and may we all meet again some day.

Brene Shivers

To the class of 84: My four years at South have been special. My thanks to all of the teachers and students who have been helpful to me. I'm proud of the class of 84; keep up the good work with the hope that you goals are fulfilled. God bless each and every one of you who have been a part of my life at South Mountain High.

Stacy Childers

It has been nice being at South for the past three years. Good luck to all the Seniors, and best wishes to the upcoming Seniors.

*Herndell Craig**

Fellow Rebels: South Mountain High stands second to none. It's absolutely the best. My only regret is that I won't be back for another year. Thanks for being #1.

Sylvia Jurey

It seems just like yesterday I started attending South High, and now the time has come to say farewell to my fellow classmates, and to thank the teachers who have helped me throughout my four years at South Mountain High. I wish all of you "Rebels" the best in life. May GOD bless you in everything you accomplish. Good luck in the Future.

Judy Mercado

The years here at SMHS have been fun, mostly crazy, and totally something else, and the memories will always be with me. To the class of 84 I wish you all happiness and success life has to give. Undergrads — Be proud, you're a REBEL!

Elizabeth A. Hector

Congratulations Seniors, we've finally reached the highest point we've been waiting for. It's time for us to realize what the world is holding in store for us — all the many advantages and disadvantages. To the class of 84 and those following, I am wishing the best of luck & success.

Susy Traniello

My years at SMHS have been fun, exciting, crazy and wonderful. I will never forget the people who helped me get through my four years at SMHS. To the class of 84, remember we got more in 84. Good luck to all, and keep that Rebel Spirit High!

Maxine Larese Snaton

To the class of "84" — I am a former Longhorn and have spent the last two years at South. The times have been pretty good, and I have met many nice people. It's been fun being a Rebel, but Longhorns are still #1. So I and my former East High partners (V. Cooke, L. Smith, A. Johnson) leave our pride to you. Good luck to all you underclassmen.

Carol Ann Mendez

My couple of years here at SMHS have been most memorable. I'd like to thank all my teachers, my friends and my parents for helping me through these years. To the class of 84 I wish the best, and to the underclassmen all the luck in the world.

Sylvia Juntoro

To the Senior class: I wish you all the best. To all underclassmen: you have a few more years to become as bad as we are. To Mr. Lebowitz: I leave my love and gratitude. Well, graduating seniors, this is it, Good Luck!

Sandra Henderson

Best wishes to the South High Class of 84; I hope you reach many of your goals in the near future. Good luck to the underclassmen as you work toward graduation.

Elise Carrasco

To the class of "84" — Best wishes to all with your future plans. To all underclassmen: best of luck to you throughout your years here at South. In my four years at South there have been memories for a lifetime.

Melinda Yanez

To my fellow classmates of "84": The time has ended, we must all depart our separate ways. Good luck to each and everyone of you, and strive for the best because we all deserve it. To all undergraduates: Keep up the good ol' Rebel spirit because we're #1 all the way. Remember SMHS, always.

Infelua Lopez

To the Class of 84: My fellow classmates: the time has come and now we must part after 4 years of hard work and fun. May you reach your every goal and may the future bring you success; if not, just remember the times we had at South. Fellow Undergraduates try your best because one day not too far, you will also be in a senior's footsteps, achieving your goal.

Sally Garcia

To the class of '84: I salute you! We have graduated and entered the adult world. I wish our class the best life has to offer. May all of us accomplish our dreams and goals. We shall now go our separate ways, but always remember these 4 years.

Tracy Payne

To the class of 84: We're finally getting out of this crazy place! We've shared some very good times and a few bad; but it's still been the best four years of my life. I wish you the very best the world has to offer. To the undergraduates: Hang in there! I'm sure it will be worth it in the end. Best of Luck to all! We've got more in "84!"

Best wishes to the class of "84" with all of your future plans. We've made it this far, so let's go all the way for the best. We all must part and go our own way, but I hope we'll all meet again someday.

To all of the undergraduates: I hope all of your years at South will be as good as they were for me. Be proud to be a "Rebel" and don't ever be ashamed. Remember we are what we make of ourselves, and the Rebels are #1. May God bless all of you.
